

Pearl City Kindergarten Registration

Kindergarten registration will be held **Tuesday, March 2nd at 6:30 in the Pearl City School cafeteria** for all families with children who will be entering Kindergarten in the fall. This registration will give families information about our school and Kindergarten expectations. It will also give the school an idea of how many students to plan for the fall. Students entering Kindergarten must be five years old on or before Sept. 1, 2010. All kindergarten registrants are asked to bring their original birth certificate from the courthouse at the time of registration.

Pre-School Screening

Screening for all children from three to five will be held at **Pearl City School on Wednesday March 17th**.

Please call the school to set up an appointment at 815-443-2715. There is no cost to Pearl City residents. The play-based screening for children three, four and five will take about one hour and includes a check of progress in the areas of communication, coordination, general development, vision and hearing. Children will be allowed to interact in the environment while parents observe their child at play. To be eligible to attend the Pearl City School Program children must go through the screening.

.

For additional information, call (815) 443-2715.
