

## Some notes from Third grade.

- A special thank you to all of the parents who helped with our classroom Christmas parties.
- During the month of January, we will start writing our Young Authors stories.
- We will start preparing for the ISAT tests that we will be taking in March.
- We have started to study multiplication in math. Please remember to study multiplication facts at home.
- Brrr, it is cold outside! Please make sure that your child is coming to school with all of the appropriate outdoor gear (hats, gloves, boots, snow pants etc...).

Sincerely,

Mrs. Steenrod and Mrs. DeZell
