All of their artwork will be on display at the Freeport Art Museum until March 24th. Then it will travel to the new Wind Turbine Building at Highland Community College until April 26th!

Up next: Highland District Juried High School Art Show. I need to deliver artwork by March 8th and then the Opening Reception and Awards Ceremony will be on March 29th from 4:30 to 6:00pm in the Ferguson Fine Arts Building. The majority of the high school art students will be entering pieces for this show. Hope to see you there!

April brings the Pearl City Schools Art Show on April 12th from 6-8. I am looking for volunteers to help set up during the day - anytime between 8 & 3 - and clean up - 8pm until we are done. Any and all help is greatly appreciated because this is a large show done all in one day. If you are interested in helping, please e-mail me at csmith@pcwolves.net. Thank you very much!!!

Thank you very much!!
