

Elementary Resource Room News

Students are busy each day working in the Resource Room learning many exciting things.

- We have been working on our Young Author Stories. Most students are finished writing and working on illustrating their stories. Our students have great imaginations!
- We continue to read every day in the resource room. Reading every night at home is great practice to help students become better readers.
- We are tackling those tough word problems every day.

If you ever have any questions or concerns, feel free to e-mail me at nkeckler@pcwolves.net or call me during school hours.
