

Elementary Resource Room News

Happy May!

We are having an end of year celebration on May 17th in the Resource Room. Students will be receiving their awards from the Resource Room and we will be enjoying a movie.

❖ **READING**

4th, 5th and 6th grade: We are working on reading skills, study skills, vocabulary skills, and finding information in the text.

2nd – 3rd grade: We have been using Wilson and Read Naturally to work on our fluency and comprehension skills. We have some blossoming readers!

❖ **LANGUAGE – 4th, 5th, and 6th grade:** We are working on writing proper sentences with correct capitalization, punctuation, and correct grammar. We have been writing stories using pictures as prompts.

2nd – 3rd grade: We are learning how to write proper sentences with correct capitalization and punctuation.

❖ **SPELLING** – Our last week for spelling will be May 7 – 11.

❖ **MATH – 5th – 6th grade:** 5th grade is currently learning how to divide. 6th grade is currently learning long division.

2nd – 3rd grade: We are learning about money, time, and how to add and subtract 2 digit numbers with regrouping.

Please check out of the list of websites I have listed below on the next page for ideas and games to keep your child learning over the summer.
