Superintendent News

Winter has arrived! As of this writing, we have used three emergency days and one early release day for either snow and/or cold weather. The early release day counts as a full day of school even though we dismissed at 11:00 am. The three emergency days will need to be made up at the end of the school year. As of now, the last day of student attendance is May 22, 2019. If we need to use additional emergency days, the final day will be adjusted accordingly.

The Illinois Association of School Boards screened all applicants for the next Pearl City superintendent and provided the Board with their recommended candidates for interview. The Board has chosen to conduct superintendent interviews on January 31, 2019 and February 4, 2019, with the hope of completing the search process by mid-February. If you have any questions feel free to contact the district office.

We have four candidates running for the three vacant positions on the Pearl City Board of Education. They are in Scott Johnson, Tim Pauley, Richard Sargent, and Nicole Sheffey. I have notified all candidates and they are providing bios that will be published in the March newsletter. Thank you to all the candidates for your interest in serving Pearl City Schools.

Please visit our website at www.pcwolves.net to keep updated on school and board information. As always, if you have any questions, feel free to contact me at 815-443-2715.

Interim Superintendent, Pearl City Schools

Character Counts

There are Six Pillars of Character: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship. Students don't learn alone. They learn through collaborative efforts with teachers, peers, and support of their families. This learning involves an atmosphere and process where social and emotional factors influence outcomes. Research in this area has found that pro-social behavior in the classroom is linked with positive intellectual outcomes (DiPerna and Elliot, 1999). So take some time to discuss the *Character Counts* activities and the Six Pillars.

Trustworthiness: Being honest, sincere, forthright, and candid. Having integrity to discern what's right and having the moral courage to act on it. Keeping promises. Being dependable and prepared. Having loyalty to stand by, stick up for and protect one's family, friends, workplace and country.

Respect: Honoring the individual worth and dignity of others. Showing courtesy and civility. Honoring reasonable social standards and customs. Living by the Golden Rule. Accepting differences. Judging on character and ability. Respecting the autonomy of others. Avoiding actual or threatened violence.

Responsibility: Being accountable. Exercising control. Setting goals. Choosing a positive attitude. Doing one's duty. Being self-reliant. Pursuing excellence. Being proactive, persistent and reflective. Setting a good example. Being morally autonomous.

Fairness: Understanding the processes and results of decision making through impartiality, through gathering of facts and hearing all sides.

Caring: Being compassionate, kind, generous and sharing.

Citizenship: Respecting the law. Doing one's share. Pursuing the common good. Protecting the environment. Respecting authority. Honoring the principles of democracy.

Character Counts provides a process for linking thinking, feeling and behavior to meet personal and social needs and to develop the skills necessary to become a productive, contributing member of society, which fits nicely with our Mission statement: *In partnership with parents and community, we will promote educational excellence in a positive environment to inspire lifelong learning and responsible citizenship.*

Pearl City Students Build Strong Community Bonds

It is not unusual to see older students sitting next to a younger student in Pearl City Schools. A variety of activities take place regularly to help build a strong community. Students read, play games, help with skill practice, act as mentors and just have fun together. We have a unique situation where students from Pre-K to 12th grade are all in the same building, making interacting with each other very easy. Building a strong caring community is important to us in Pearl City.

Junior High Promotion and Retention Policy

The following are the guidelines that will be used for promotion and retention. Parents/guardians of students, who are at risk, will be notified shortly after the semester ends.

The decision as to pupil placement (retention or acceleration) shall be made by the school principal after careful consideration of the following:

- Teacher Recommendation
- Attendance
- Grades
 1. Junior High Level (7-8) – must pass 4 of 5 academic subjects (Language Arts, Reading, Math, Science, and Social Studies) to be promoted to the next grade.
 2. A student who fails either mathematics or reading will be required to attend summer school or will be retained at current grade level.

Achievement Scores/Testing Program

A student who falls below the “does not meet” level on the district administered reading and/or mathematics tests must attend summer school or will be retained at current grade level.

Procedures to be followed in promotion or retention shall be as follows:

1. A teacher feeling that a child’s problems can be improved by assistance should immediately inform the principal.
2. The principal, in conjunction with parents and teacher, may develop an academic assistance program for the student.
3. A teacher feeling that a child should be considered for summer school or retention should confer with the parent between December and March to gain their help and prepare them for promotion or retention.
4. In April, a teacher-principal conference will be held to review the student’s grades and achievement test scores.
5. Following this review, the principal will make the final decision regarding placement and notify the parents regarding their child’s status relative to summer school and/or retention.

Pearl City School Preschool Screening March 14

Preschool Screening for the 2019-2020 school year will be taking place on Thursday, March 14th for any child between the ages of 3-5 and living in the Pearl City School District. Any child who will be three years old before September 1, 2019, is eligible to screen on March 14^h and attend the preschool program next year. Children must be screened in order to be considered for the preschool program. Preschool screening is a play-based assessment that generally last 45 minutes, and will be held in the preschool classroom at Pearl City Elementary. During the screening, your child will play in the classroom with a small group of their peers and a variety of professionals (general/special education teacher, Speech and Language Pathologist, PASS Coordinator etc.). Space in this program is limited. Children who are not initially enrolled in the program will be placed on a waiting list. Various screening time slots are available throughout the day on March 14th, please call the school at (815) 443-2715 to make an appointment.
