Students, Staff, Parents, and Community Members,

The State Board of Education will post the 2019 District Report Card, on Nov. 1st, at www.illinoisreportcard.com. You can also access the report card by going to our district website by clicking on District Information and then click on School Report Card. This will take you directly to all of our school and District data. The data on the report card includes student and teacher demographics, enrollment, district-level financial information. 5Essential Survey information, graduation rates, postsecondary enrollment and freshmen on track. The Report Card will showcase new metrics and features to show a more complete picture of school climate and students' progress toward college and career readiness. Data involving student academic growth and achievement will be included in this release. This data will be based on student, school, and district-level IAR and SAT test results.

The PC School District will be celebrating Veteran's Day on Nov. 11th. This is a special day as we are able to honor all of those that have sacrificed so much for all of us. If you are a Veteran or know of any Veteran's please share that they are welcome to come to our celebration on Nov. 11th at 9:00am. The celebration will consist of a light breakfast, children's choir, and the school band. Mr. Gary Eisenhower will be our key note speaker and a song by Steve Sheffey and Scott Woodley. We hope you can join us for this great celebration. More information can be found inside this newsletter.

The 5 Essential Survey will again be conducted this school year. The window to complete the survey is from November- January. The parent survey will be open and is to be completed by parents, guardians, or other caregivers with a child in grades PreK-12. The parent survey is available in English and Spanish and takes approximately 10 minutes to complete. If parents have more than one child that attends the same school, they may elect to participate multiple times. For parents with children enrolled in multiple schools, we recommend that they participate in the survey for each school building their child attends. To access the parent survey visit <https://survey.5-essentials.org/illinois/> and select Parent Survey. This link is also located on the homepage of the district website under 5 Essential Survey.

The EPC Drama Department Presents:

Come to the beautiful Château Laroche for a weekend get-away, where you'll be greeted by a friendly host of... cockroaches!! Crawling with slapstick humor and circus-like stage action, this award-winning comic farce will take you through a weekend in the lives of François and Mimi Laroche, the French proprietors of the château on the shores of a peaceful American lake.

The owners are horrified to discover the enormity of their cockroach problem as they prepare for a big weekend of visitors. Why do the cockroaches have to appear just when they're trying to make a good impression on a famed travel writer?! On top of that, they've learned the health inspector is making a surprise visit — disguised as a typical guest! Could the inspector be one of the young honeymooners? The wealthy widow or her hypnotist? The British bicyclist? The manager of a bratty child star? François launches an all-out war on the creepy-crawly creatures as the disgruntled staff members struggle to hide the pesky problem from the hotel guests. Even with the help of a zealous exterminator, Miss Roskel T. Goomey, the roaches quickly and hysterically adapt to the chemical assault and begin to grow bigger, while the supposed health inspector hallucinates after mistakenly using the toxic bug powder on his spaghetti, thinking it was Parmesan cheese! You'll have a foot-stomping, roach-slapping good time with this eccentric and eclectic cast of characters!

With lively and fast-paced dialogue and great opportunities for physical humor, the play provides a hilarious look at the price humans pay for attempting to control nature and is sure to delight audiences of all ages!
