May District Newsletter

Superintendent News

As we enter the last month of the school year, I would like to remind you to please check the district website for the many events that are going to happen as we conclude our present school year. Two such events are graduation, which is set for Sunday, May 22, 2022 at 1:00 pm and the last day of school for students is Thursday, May 26, 2022 with a dismissal time of 1:00 pm.

Please be on the look-out for 2022-2023 Registration information. The information will be going out through your Skyward accounts. The in-person registration for current and new students will be on August 2nd.

I want to take this opportunity to thank all of the students, parents, and community members for their support, patience, and caring attitude these past two and a half years. The past two and a half years have been unprecedented in so many ways and for so many people. I am so proud of the students with how they have handled adversity and new challenges these past years. However, they would not have been able to make it without all of your guidance and support. I am truly fortunate to be in a school district with a community that supports their future the way this community does. So, on behalf of the Pearl City School District School Board and educators we are grateful for all you have done to help us during these trying times. We will do all we can to start 2022-2023 with a fresh start.

Please visit our website at <https://www.pcwolves.net> to keep updated on school and board information. As always, if you have any questions, feel free to contact me at 815-443-2715.

Mike Schiffman
Superintendent
